## A Special Thank You!

HART couldn't serve the extraordinary and unique individuals of our community without the support of the following donors. With your support we are making a lasting and positive impact in the lives of the children and adults.

Mount Angel Oktoberfest, Madison Trust - Salem Elks BPOE #336, and Stones Family Dental subsidized services to 100 clients. We are pleased to partner with you so that all children and families, regardless of circumstance, can participate in and benefit from HART's program and services.

## HART teams up with Boy Scouts of America

If you haven't been down to the facility since this past summer, you haven't seen a much-needed office addition. The addition was an Eagle Scout project for Rustin Moon. HART is ever so grateful for the time and effort put forth by Rustin and the many trades that helped him put this together:

## JOSIE MAGILL Scholarship Fund

The Josie Magill Scholarship Fund provides children from low income families' opportunities to overcome perceived limitations and boundaries through equine therapy.

No matter how difficult her daily challenges were, riding horses always made Josie's eyes sparkle. She would have turned 14 this month, and in honor of her birthday a generous donor will match the first \$2,000 donated in her memory to the scholarship fund.

Visit [horsesadaptiveriding.org/donate](http://horsesadaptiveriding.org/donate) for more information.
