HART Summer Night Barn Dance a HUGE success!

Thanks to everyone who attended our HART Summer Night barn dance in July. Because of you we were able to raise \$15,000 of which \$2,200 was for the Josie Magill Scholarship Fund!!!

Your generosity will help support our mission.

We also want to thank everyone who donated the wonderful items for the live and silent auctions. Such amazing craftsmanship was appreciated by all.

We hope you had fun and look forward to seeing you next year!

Thank you to our partners in service

A gigantic slice of gratitude to the foundations who support our mission:

- ~Mt. Angel Oktoberfest
- ~Salem Foundation
- ~Spirit Mountain Community Fund

Sweet Pete – update on an amazing therapy horse

In 2016, our therapy horse Pete sustained major injuries to his legs when a gate malfunctioned. With daily wound care and weekly vet visits, as well as the generosity of our donors, Pete made a great recovery and returned to his therapy horse career in the Fall of 2017. His demeanor during the ordeal gained him the name of Sweet Pete. Today, thanks to our generous supporters, Sweet Pete is used in both the Adaptive Riding and Equine Assisted Learning programs.

Horses are amazing, resilient, and emotionally powerful. They help us to discover our own self-awareness and help us stretch our physical boundaries. They teach us about trust, respect, honesty and communication.

We hope you enjoy hearing about our recent events as well as learning about what is to come! Please feel free to forward this to anyone you think might be interested or please recycle when done reading.

Think Green! If you are receiving this in the mail and would like to help the environment by receiving Pony Tales via email, please contact us: 503.991.4451 or info@horsesadaptiveriding.org.
